A NETWORKING BREAKFAST: THE FUTURE OF HOUSING

MARK KITTS
CHIEF EXECUTIVE - FOUNDATIONS

Mark joined Liverpool City Council in August 2002 and was responsible for Regeneration, Policy and External Funding managing a programme in excess of £1 Billion of Government and European Funds, before becoming Assistant Director for Regeneration in 2012. During that time Mark was involved in or responsible for the strategy and delivery of many of the City's highest profile and transformational projects including the King's Dock, Anfield, Great Homer Street and the Knowledge Quarter.

In 2018 Mark was seconded into the City Councils New Housing Company, Liverpool Foundation Homes Limited. As its CEO Mark is tasked with driving forward the delivery of 10,000 new homes across the City over the next ten years, via an exciting combination of transforming existing communities and creating new sites for high quality housing development.
