# THE PROFESSIONALS' DINNER LIVERPOOL - 2019

## DR. KEVIN JONES

*The funniest man in Medicine*

Kevin Jones qualified in Medicine from Liverpool University. He spent four years on the Heart-Lung Transplant team at Papworth Hospital, Cambridge, six years at St Bartholomew's Hospital, London and is now a NHS Consultant Physician in Northern England.

He has been on the after-dinner speaking circuit for 30 years and is probably the funniest doctor to tell stories about cancer there has ever been! He has been seen with celebrities like Stephen Fry, John Bishop and Michael McIntyre and forced them to talk to him.

His selfie-collection is extensive as he stalks comedy celebrities all over the country in the hope that some of their greatness will rub off on him.
